

INSPIRING. TIMELESS. ENDURING.

A STRIKING BALANCE BETWEEN INNOVATION AND BEAUTY

At Realstone Systems™, we've spent years honing our craft and striving to bring you the highest-quality offering of natural stone, wood and mixed-media cladding products on the market.

Along the way, we've learned what it means to be innovative; to have an unwavering commitment to customer service and support; and to be tirelessly dedicated to providing our customers with products at the heart of both design and function.

While trends have come and gone, and the Realstone family has grown, we have never changed what we stand for: Quality, Integrity, Timeless Beauty, and Endless Possibilities.

QUALITY PRODUCTS

High standards and stringent quality checks
Quality is at the forefront of what we do. Our superior standards result in a final product that is consistent in color and sizing, has straight edges, tight tolerances, no gaps and each product lot is identified on the box. This commitment to excellence results in a fast and beautiful installation.

Est. 2005

EXPERIENCED

We've been around a while so we've learned a thing or two
Starting during the recession taught us patience, perseverance, the value of a good product, and more importantly, of a good customer. The most important lesson is to never stop improving.

PRO RESOURCES

Testing, documentation and design tools

We have the tools necessary for getting the job done, regardless of the scale of your project. From commercial to residential, we have the tools and dedicated team to support you every step of the way.

PACKAGING

Well-packaged for safety and convenience

We pay a lot of attention to details which is why we package everything to minimize breakage and make portability on the job site easy. Less breakage means less waste and a quicker installation.

CUSTOMER SERVICE

We're happy when you're happy

We believe in the quality of our products and we invest in the quality of our people. Our friendly and knowledgeable sales and support team is just a phone call away, and eager to help you in any way that they can.

INNOVATION

We don't stay ahead of the trends, we set them

Our products are varied and on-trend, and we work hard to make sure that's the case. We are constantly scouting for emerging trends in both design and technology so that we can keep our catalog of products fresh and relevant.

GLOBAL PRODUCTS

Endless options of what the world has to offer We go to the ends of the earth to get the highest-quality, most breathtaking new products the world has to offer so we can provide a continuous supply of products.

SPECIAL ORDERS

If you can dream it, we make it

We understand that you may have a specific vision in mind for your unique project. We will work with you to help create the exact look and feel you need to transform your space.

WOOD AND WOOD-LIKE TILES AND PANELS

THE WOOD LOOK

An easy way to bring warmth and interest to a room is by using wood as a design element. We offer three product lines which are either wood or wood like. Our Hive Tiles are a modern take on the wood look with a lifelike appearance in a hexagon shape. Available in two wood finishes, you can mix and match them to create a truly unique space. Our Reclaimed Wood Panels are made from globally sourced all-natural reclaimed wood pieces which are paired into unique combinations of sizes and textures. Made from a Stone and Resin composite, our Antique Wood Panels are incredibly lifelike with a wood grain pattern that is the perfect low-maintenance alternative to real wood. Whether it be for an indoor or outdoor project, these panels will add richness and warmth while bringing your vision to life.

STONE & RESIN PRODUCTS

ANTIQUE WOOD PANELS & HIVE TILES

A low-maintenance alternative, our Antique Wood and Hive products have the lifelike appearance and texture of aged wood and natural stone. This system was designed with quality and durability in mind and is water-resistant, non-warping, non-porous, and non-splintering. We make them from recycled stone that has been mixed with resin, and we build them to last. The Antique wood panels are interlocking for a seamless installation, while the Hive tiles come in concave and convex pairs that will add dimension and excitement to any project.
